GENERAL INFORMATION

Title I of the Workforce Innovation and Opportunity Act (WIOA) requires the U.S. Secretary of Labor to update and publish the Lower Living Standard Income Level (LLSIL) tables annually. States must use these tables for purposes, as described in the law, including for youth eligibility determinations. WIOA defines the term “low income individual” as one who qualifies under various criteria, including an individual who receives, or received for a prior six-month period, income that does not exceed the higher level of the poverty line or 70 percent of the LLSIL.

This policy provides the Maryland Department of Labor, Licensing and Regulation (DLLR) – Division of Workforce Development and Adult Learning (DWDAL)’s annual LLSIL for 2018 and references the U.S. Department of Health and Human Services (HHS)’s current 2018 poverty guidelines.

This policy is effective May 29, 2018.
